A Message from the principals

“ויהי מקץ... בעצם היום הזה” The harshest of the מכות had taken place. בני ישראל were now ready, with the זכות of מילה and פסח, to leave. “כיון שהגיע הקץ לא עכבן המקום כהרף עין”. Once the moment for the גאולה came, the רבש“ע took us out of מצרים, without any delay. When the moment for our גאולה will arrive, the רבש“ע will not hold us back, but will bring us back immediately. Let us help bring the גאולה by watching the way we speak to and about each other. Let’s speak with אחריות, realizing the power of our words.

May we be זוכה to see the גאולה immediately!
